

YOU'RE INVITED TO A  
**ZOOM WEBINAR**

# WOUND AWARENESS WEEK – DERMATOPOROSIS AND FRAIL SKIN

**THURSDAY 25 JULY,  
6PM – 8PM**

**ANJ DICKSON**

Woundcare Clinical Nurse Specialist,  
Health New Zealand | Te Whatu Ora,  
Counties Manukau

**KATE O'DWYER**

Nurse Practitioner,  
Circada Health, Tauranga

Anj is the pressure injury prevention and management Clinical Nurse Specialist at Te Whatu Ora Counties Manukau where she has worked for the past 15 years. She completed her Master's Degree on the impact of skin tone on the development of pressure injuries and is looking forward to carrying this research on to a PhD.

Kate is a Nurse Practitioner at Cicada Health Ltd., a practice that provides medical care for several Aged Care facilities in the Bay of Plenty. She has worked for many years in the Vascular, District Nursing, and aged care sector and has been a longstanding member of the New Zealand Wound Care Society and actively involved in the NZWCS Education Advisory Group and National Committee.

Please join us for an informative webinar that will cover the following topics:

- Pressure injury prevention by early skin care regimes in frail skin
- Quality of life impacts and case study

This webinar will be of particular interest to those working in ARC, Community Care and anyone working with older adults.
